Merit Scholarship Student Form

Acknowledgement Form for Dropping Courses Late

Semester: Fall _____ Spring _____

Name: _____

Panther ID: _____

By signing this form, I acknowledge that I have been informed by a university representative, _____, that I must earn a total of 30 credits at FIU over the course of the Fall _____ and Spring _____ semesters with a minimum cumulative 3.0 GPA in order to satisfy the academic criteria for merit scholarship renewal in _____.

I understand that courses dropped after the official add/drop period and/or grades officially changed through the forgiveness policy decrease total earned credits and may place my scholarship at risk should I not earn the requisite credits and GPA for renewal.

I also understand that I may not use summer courses to make up credit and/or GPA deficiencies should they exist by the end of the spring semester.
