Miami's public research university

## FLORIDA INTERNATIONAL UNIVERSITY OFFICIAL UNIVERSITY POLICY TEMPLATE

**University Community (faculty, staff and students)**

<b>SUBJECT (R*)</b>  SECURITY IN LABORATORIES WITH SPECIAL HAZARDS	<b>EFFECTIVE DATE (R)</b>  March 14, 2007	<b>POLICY NUMBER</b>
<b>RESPONSIBLE UNIVERSITY DIVISION/DEPARTMENT (R)</b>  Department of Risk Management and Environmental Health & Safety	<b>RESPONSIBLE UNIVERSITY OFFICER (R)</b>  Cristina L. Mendoza Vice President and University General Counsel	

**POLICY STATEMENT (R)**

All Users of Special Hazards Materials shall follow University processes in order to become an “Authorized User” as soon as possible and must abide by:

- all applicable federal, state and local safety laws, rules and regulations relating in any way to the purchase, handling, use, storage, transfer and disposal of these materials;
- the terms and restrictions set forth in the University’s license, permit or registration relating to the purchase, handling, use, storage, transfer and disposal of the Special Hazards Material, as applicable; and
- the procedures described in the applicable program safety manuals, that assure responsibility, accountability and physical safeguards with regards to Special Hazards Materials.

**REASON FOR POLICY (O\*)**

Florida International University’s institutional ability to use Special Hazard Materials is contingent upon the compliance with all applicable laws, rules, regulations, terms and conditions relating in any way to the purchase, handling, use, storage, transfer and disposal of these materials.
