Agreement

Coaching/Instruction services will be provided at the discretion of the club members for a period of one year. All coaches/instructors must reapply for their positions each Fall semester, regardless of how long they have been affiliated with the club.

The agreement to coach/instruct does not imply employment by the Department of Recreation Services or FIU. Coaches/Instructors will provide a safe environment for all skill levels. Coaches may provide input concerning club business, but the final decision regarding club matters will be made by the student officers.

Coaches/Instructors must always conduct themselves in a manner that does not detract from the reputation of Florida International University or the Department of Recreation Services. This includes behavior in game/teaching situations, contact with other teams and the public, and interaction with event staff.

I understand that I will be coaching/instructing for this Sport Club on a paid/volunteer basis. I have read and understand the responsibilities as outlined in the Sport Club Handbook. I understand that any infraction of these policies may result in the suspension or termination of my coaching/instructing duties, and/or payment where applicable. I also understand that Florida International University does not carry liability, health or travel/accident insurance to cover me, and I will not hold the University, in part or in whole, responsible for any injury.
