“This organization prohibits its members, both individually and collectively, from committing any acts of “hazing” as defined herein: ‘Hazing’ means any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation or admission into affiliation with this organization. Such terms include, but are not limited to, any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug or other substance, or any other force which would subject the individual to extreme stress such as sleep deprivation, forced exclusion from social contact, forced conduct which would result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual.
