Academic Background

University of Miami, Coral Gables, FL	Aug. 2001 - June 2008
<i>Degree</i>	Doctorate of Philosophy
<i>Program</i>	Educational Research and Exercise Physiology
<i>Specialization</i>	Exercise Physiology
<i>Dissertation</i>	Continuing Professional Education in Athletic Training: Is knowledge acquired and retained?
<i>Cumulative GPA</i>	3.7/4.0
University of Florida, Gainesville, FL	Aug. 1998 – May 2000
<i>Degree</i>	Master of Science
<i>Program</i>	Exercise and Sport Sciences
<i>Specialization</i>	Athletic Training
<i>Thesis</i>	A Comparison of Rib Pads Under Impact Conditions
<i>Cumulative GPA</i>	3.9/4.0
Duquesne University, Pittsburgh, PA	Aug. 1994 - May 1998
<i>Degree</i>	Bachelor of Science
<i>Major</i>	Athletic Training (Accredited Curriculum)
<i>Honors</i>	Cum Laude, Dean's List (7 semesters)
<i>Cumulative GPA</i>	3.5/4.0

Professional Certifications/Licenses

Certified Athletic Trainer, *National Athletic Trainers' Association*, Board of Certification
#059802465, May 1998 - Present

Licensed Athletic Trainer, *Florida Department of Health*, Board of Athletic Training
#AL 1336, Sept. 2001 - Present

Clinical Instructor Educator, *National Athletic Trainers' Association*, Education Council,
Oct. 2002 - Present

Approved Clinical Instructor, *National Athletic Trainers' Association*, Education Council, Oct. 2002 - Present

National Provider Identifier, *National Plan and Provider Enumeration System*, Feb. 2006 -Present

OSHA Bloodborne Pathogens, *Florida International University, Office of Environmental Health and Safety*, Annual Renewal

CPR/AED for the Professional Rescuer, *American Red Cross*, Annual Renewal

First Aid, *American Red Cross*, Renewal every 3 years

Instructor, *American Red Cross*, Annual Renewal

Academic Experience (Full-time)

**Director of Athletic Training, *Florida International University, Miami, FL*
Aug. 2007 – Present**

Responsibilities: Tend to the day-to-day operation, coordination, supervision, and evaluation of all aspects of the Athletic Training Education Program; oversee all student academic matters including retention and recruitment; solidify faculty teaching assignments and course scheduling each semester including the procurement of adjunct faculty; demonstrate fiscal responsibility with departmental budget; conduct annual faculty appraisals; serve as the in-house expert on the Accreditation Committee for the Athletic Training Education Program; teach didactic courses in the Entry-Level Athletic Training Education Program; serve on research committees for students completing the Post-Professional Athletic Training Education Program; teach the following courses: *Physiology for Exercise and Sports Sciences; Therapeutic Modalities with Lab; Rehabilitation Techniques in Athletic Training with Lab; Orthopedic Assessment III – Head, Trunk, and Spine with Lab, Clinical Education III; Clinical Education V; Administration and Professionalism in Athletic Training; Master of Science Research in Athletic Training I and II, Athletic Training Residency, Advanced Field Experience in Athletic Training.*

**Academic Program Director, *Florida International University, Miami, FL*
Aug. 2005 – Aug. 2007**

Responsibilities: Tend to the day-to-day operation, coordination, supervision, and evaluation of all aspects of the Athletic Training Education Program; serve as the in-house expert on the Accreditation Committee for the Athletic Training Education Program; develop a curriculum for an entry-level Masters education program in accordance with national accreditation standards and guidelines including the completion and submission of feasibility studies, a new program proposal, new course proposals, and other activities as required; responsible for working collaboratively with other faculty members to implement the new curriculum; secure contracts/affiliations for clinical education of the students; develop policies and procedures for the Athletic Training Education Program to ensure compliance with national accreditation standards and guidelines; build a record keeping system for students enrolled in the Athletic Training Education Program, including advising documentation,

Instructor, Florida International University, Miami, FL

Aug. 2004 - Aug. 2005

Responsibilities: Serve as the Interim Academic Program Director for the Athletic Training Education Program; serve as the in-house expert on the Accreditation Committee for the Athletic Training Education Program; currently developing a curriculum for an entry-level Masters education program in accordance with national accreditation standards and guidelines; the curriculum development process includes a new program proposal, new course proposals, and other activities as required; responsible for working collaboratively with other faculty members to implement to new curriculum; secure contracts/affiliations for clinical education of the students; developing policies and procedures for the Athletic Training Education Program to ensure compliance with national accreditation standards and guidelines; building a record keeping system for students enrolled in the Athletic Training Education Program, including advising documentation, learning documentation, and clinical education documentation as required by national accreditation standards and guidelines; actively recruit and advise students; teach the following courses: *Anatomy for Exercise and Sport Sciences; Physiology for Exercise and Sports Sciences; and Management of Medical Emergencies.*

Instructor, North Park University, Chicago IL

Aug. 2000 – July 2001

Responsibilities: Served as a full-time faculty member within the University; taught didactic courses in the Athletic Training Major, specifically *Therapeutic Modalities* and *Therapeutic Exercise*; functioned as a Clinical Instructor for the clinical education component of the Athletic Training Major, specifically *Clinical Practicum III* and *Clinical Practicum IV*; assisted in developing an athletic training program of study that satisfied the national accreditation standards and guidelines; served on search committee.

Permanent Substitute, Buchholz High School, Gainesville, FL

March 2000 – June 2000

Responsibilities: Taught the state required course titled *Life Management Skills*, which included students in all grade levels.

Academic Experience (Part-time)

Athletic Training Program Coordinator, *University of Miami, Coral Gables, FL*

Aug. 2001 – Aug. 2004

Responsibilities: Gathered the necessary information regarding the Athletic Training Education Program to demonstrate compliance with the standards and guidelines set forth by the national accrediting body; wrote the Self-Study document; coordinated the site visit schedule; assisted in obtaining national accreditation of the Athletic Training Education Program; secured contracts with clinical affiliate sites; performed all of the necessary administrative work to demonstrate continued compliance with the standards and guidelines of accreditation, including completion of annual update reports and audit reports to be submitted to the national accrediting body; attended to the day-to-day operations of the Athletic Training Education Program; developed an athletic training student organization; assisted the Program Director in other duties as assigned.

Academic Advisor, *University of Miami, Coral Gables, FL*

Aug. 2003 – Aug. 2004

Responsibilities: Advised athletic training students as they matriculated through an accredited Athletic Training Education Program; ensured that all graduating athletic training students met the requirements of the university, the program, and the standards and guidelines set forth by the national accrediting body; mentored students in making decisions about course schedules, selecting a minor course of study, changing majors, and other needs as presented by the students; developed a recruitment plan for the Athletic Training Education Program; participated in recruiting and retention efforts for the University of Miami, the School of Education, and the Athletic Training Education Program; initiated advertisement campaigns for the Athletic Training Education Program including newspaper publications, guest speaking engagements, and athletic event advertisements.

Instructor, *University of Miami, Coral Gables, FL*

Aug. 2002 – Aug. 2004

Responsibilities: Taught undergraduate students majoring in Athletic Training in the following didactic courses: *Clinical Athletic Training Lab I; Clinical Athletic Training Lab III; Clinical Athletic Training Lab IV; and Pharmacology in Athletic Training.*

Clinical Instructor Educator, *University of Miami, Coral Gables, FL*

Oct. 2002 – Aug. 2004

Responsibilities: Provided initial and continuing training for all Certified Athletic Trainers utilized in the Athletic Training Education Program as required by the national accrediting body for the clinical supervision, instruction, and evaluation of students; developed the evaluation plan to document students' learning over time and mastery of clinical proficiency as required by the national accrediting body; maintained confidentiality throughout the evaluation process; provided feedback to the Approved Clinical Instructors with regard to their supervision, instruction, and evaluation of the students; ensured that all athletic training students received the necessary clinical experiences as required by the national accrediting body.

Approved Clinical Instructor, *University of Miami, Coral Gables, FL*

Oct. 2002 – Aug. 2004

Responsibilities: Provided direct supervision, instruction, and evaluation for athletic training students in the clinical component of the Athletic Training Education Program as required by the national accrediting body.

Clinical Instructor, *University of Miami, Coral Gables, FL*

Aug. 2001 – Oct. 2002

Responsibilities: Provided direct supervision and instruction for athletic training students in the clinical component of the Athletic Training Education Program as required by the national accrediting body.

Clinical Instructor, *University of Florida, Gainesville, FL*

Aug. 1998 – May 2000

Responsibilities: Provided direct supervision and instruction for athletic training students in the clinical component of the Athletic Training Education Program as required by the national accrediting body.

Lab Instructor, *University of Florida, Gainesville, FL*

Aug. 1998 – May 2000

Responsibilities: Taught undergraduate students majoring in Athletic Training in the following lab courses: *Prevention and Care of Athletic Injuries; Therapeutic Modalities; Assessment of the Lower Extremity;* and *Assessment of the Upper Extremity.*

Clinical Experience

Certified Athletic Trainer, *Taekwondo National Qualification Tournament, Houston, TX*

April 2005

Responsibilities: Provided healthcare coverage within the domains of Athletic Training for all athletes participating in the tournament.

Accreditation Consultant, *University of Central Missouri, Warrensburg, MO*

Oct. 2002 & Oct. 2003

Responsibilities: Provided consultation for the undergraduate Athletic Training Education Program with regards to being compliant with the standards and guidelines set forth by the national accrediting body; offered guidance in completing the self-study report in an efficient and timely manner.

Certified Athletic Trainer Volunteer, *Miami Dade County Public Schools Sports Program for Students with Disabilities, Miami, FL*

Spring 2004, Spring 2005 & Spring 2006

Responsibilities: Provide healthcare coverage within the domains of Athletic Training for students with disabilities participating in track and field events.

Assistant Athletic Trainer, *University of Miami, Coral Gables, FL*

Aug. 2001 – Aug. 2004

Responsibilities: Provided healthcare coverage within the domains of Athletic Training for Division I athletic practices and events, specifically Women's Volleyball and Football.

Assistant Athletic Trainer, *North Park University, Chicago, IL*

Aug. 2000 – July 2001

Responsibilities: Provided healthcare coverage within the domains of Athletic Training for all Division III female athletic team practices and events, specifically Women's Soccer, Women's Volleyball, Women's Basketball, and Women's Softball.

Interim Head Athletic Trainer, *North Park University, Chicago, IL*

Dec. 2000 – Feb. 2001

Responsibilities: Supervised the daily operations of the athletic training room to ensure compliance with state licensure requirements.

Head Athletic Trainer, *Buchholz High School, Gainesville, FL*

Aug. 1999 – May 2000

Responsibilities: Provided healthcare coverage within the domains of Athletic Training for all athletic teams: football, volleyball, golf, swimming and diving, basketball, wrestling, weight lifting, cross country, track and field, soccer, baseball, softball, and tennis; managed the athletic training budget.

Certified Athletic Trainer, *Taekwondo Qualification Tournament for the 2000 Olympic Games, Miami, FL*

Oct. 1999

Responsibilities: Provided healthcare coverage within the domains of Athletic Training for all athletes participating in the tournament.

Head Athletic Trainer, *Bradford High School, Bradford, FL*

Aug. 1998 – May 1999

Responsibilities: Provided healthcare coverage within the domains of Athletic Training for all athletic teams: football, volleyball, basketball, wrestling, baseball, softball, tennis, golf, cross country, and track and field; initiated a high school student athletic training program, solicited and obtained equipment for the athletic training room.

Certified Athletic Trainer, *Florida High School State Track Finals, Gainesville, FL*

May 1999 & May 2000

Responsibilities: Provided healthcare coverage within the domains of Athletic Training for all athletes participating in the finals.

Athletic Training Student, *Duquesne University, Pittsburgh, PA*

Aug. 1995 – May 1998

Responsibilities: Assisted Certified Athletic Trainers' and physicians in conditioning, treating, evaluating, and rehabilitating athletes at Duquesne University and at clinical affiliate sites; assisted in pre-participation physical examinations; assisted in the daily

operations of the athletic training room; accumulated approximately 1500 clinical hours during four years as an athletic training student; served as an athletic training student in the following settings:

Head Athletic Training Student, *Allegheny General Hospital/Duquesne Sports Medicine Institute, Pittsburgh, PA*

Dec. 1997 – May 1998

Responsibilities: Performed various rehabilitation programs and modalities; monitored patient progress and limitations; assisted with record keeping; learned the Biodex dynamometer.

Head Athletic Training Student, *Duquesne University Women's Volleyball, Pittsburgh, PA*

Aug. 1997 – Nov. 1998

Responsibilities: Worked to prevent injuries and recognize injuries; evaluated injuries; developed rehabilitation programs; provided initial counseling and referral of athletes with eating disorders; supervised a collegiate athletic training student.

Athletic Training Student, *Born To Run Basketball Camp, Pittsburgh, PA*
July 1998 & July 1997

Responsibilities: Provided first aid and CPR healthcare coverage for all athletes and coaches participating in the basketball camp.

Athletic Training Student, *Pennsylvania Special Olympics Winter Games*
Feb. 1998

Responsibilities: Provided first aid and CPR healthcare coverage for all athletes participating in the winter games of the Special Olympics.

Head Athletic Training Student, *Montour High School, Pittsburgh, PA*
March 1997 – May 1997

Responsibilities: Administered workshops for high school athletic training students; revised the athletic training budget; evaluated injuries; developed rehabilitation programs; provided first aid and CPR coverage.

Drug Testing Courier, *NCAA Quarter Finals, Pittsburgh, PA*
March 1997

Responsibilities: Escorted Division I athletes that were randomly selected to be drug tested.

Assistant Athletic Training Student, *Duquesne University Swimming and Diving, Pittsburgh, PA*

Nov. 1996 – Feb. 1997

Responsibilities: Practiced injury recognition and injury assessment of the lower extremity; maintained injury records; assisted and observed the Head Athletic Training Student; first aid and CPR coverage.

Head Athletic Training Student, *Fox Chapel High School, Pittsburgh, PA*
Aug. 1996 – Nov. 1996

Responsibilities: Supervised high school athletic training students; practiced injury recognition and injury assessment; maintained injury records; first aid and CPR coverage.

Professional/Academic Honors and Awards

Cambridge Who's Who, *Cambridge Who's Who Registry of Executives and Professionals*, Platinum lifetime member of Honors Edition of Cambridge membership, Feb. 2007 – present

Pi Lambda Theta, *University of Miami, Coral Gables, FL School of Education Nomination*, Nominated and accepted into Pi Lambda Theta, the International Honor Society and Professional Association in Education, Feb. 2004 - present

Graduate Assistantship, *University of Miami, Coral Gables, FL*, Awarded a full tuition waiver and a stipend totaling approximately \$101,500.00, Aug. 2001 – Aug. 2004

Graduate Assistantship, *University of Florida, Gainesville, FL*, Awarded a full tuition waiver and a stipend totaling approximately \$25,000.00, Aug. 1998 – May 2000

Faculty Spirit Award, *Duquesne University, Pittsburgh, PA*, Selected by the faculty to receive the Faculty Spirit Award for demonstrating the attributes and abilities that best exemplify the values and professional ideals of the Athletic Training Faculty, April 1998
