

We are offering webinars on a monthly basis. For now, we are offering the opportunity to participate in RefWorks free online webinars and Endnotes free online webinars.

This is done on a first come first serve basis, so reserve your spots today!!! Remember to submit your evaluations and email confirmation of scheduled meeting within 48 hours after completion of the session!!

#### Refworks Webinar

Visit <http://refworks.com/content/webinars/default.asp> to register for your desired session.

Choose the session you would like to enroll in.

Complete the registration information.

Await the email confirmation as appears below:

The dates and instructions are as follows:

1. Pick a date of your choice
2. Click on the enroll now link and complete the verification information
3. Wait for an email confirmation that will provide you with the following on how to join the online webinar:

To join the online event

- 
1. Copy the meeting URL and paste it in your browser:

<https://csa.webex.com/csa/onstage/g.php?d=718129562&t=a>

2. To join the Meeting/Event, provide the information requested (first name, last name, email address, event password), and click "Join."

A small software plug-in will load on your computer. We suggest you allow 5 to 10 minutes for this to download so, please join the meeting early. You can also pre-load this plug-in on your computer from this webpage:

<https://csa.webex.com/mw0304l/mywebex/default.do?siteurl=csa&service=6>

Click on Set-Up (in the left-hand navigation), then Event Manager to access the plug-in.

3. You have two options for the audio portion of the webinar:

- a. You can use your computer's speakers or a computer headset to listen to the audio.
- b. You can use the teleconference option. Once you join the meeting, you will be prompted with call-in phone numbers by country. After you call the teleconference number, you will be prompted to enter the nine digit Meeting/Event Number listed with the call-in numbers.

Your last step for points credit will be to complete the attached evaluation of what you learned in addition to your email confirmation that you enrolled and/or participated within 48 hours after the event.

## RefWorks Advanced Features

This 75-minute session covers topics such as advanced searching, using RefGrab-It to import data, working offline, editing multiple references, viewing, printing and sorting references and more. Attendees should have a working knowledge of RefWorks' basic features.

Wednesday, February 6, 2008 10:00 am  
Eastern Standard Time (GMT -05:00, New York)
