

# Student Health Advisory Committee (SHAC)

## 2005- 2006 Academic Year

The Student Health Advisory Committee (SHAC) is a group of dedicated students interested in health services and health promotion programs on the Florida International University, Biscayne Bay Campus.

SHAC members serve in the following capacities:

- Act a liaison between University Health Services and the student population
- Recommend new programs or services to meet student's needs
- Provide input and feedback about student insurance, student programs and services
- Assist with health campaigns and special events

SHAC members must be able to attend monthly meetings, refreshments will be provided. Interested students should submit an application by **January 17, 2005**. Selected students will begin in February 2005.
