Gladwin, Hugh. “Hurricane Andrew and Ethnicity”, Symposium on Social Effects of Hurricane Andrew, Society for Applied Anthropology, San Antonio, TX, March, 1993.

Other Presentations

Public Health Aspect of AIDS: Reports from the 14th World AIDS Conference. Speakers: Hugh Gladwin (Director) and Ann Goraczko (Assistant Director) of FIU’s Institute of Public Opinion Research, Paula Fernández (Assistant Director for Research and Evaluation) REACH 2010 at FIU. Discussion Panelists: Prof. William W. Darrow, Prof. Virginia McCoy, Prof. Marianna Baum, Prof. Tim Patton (FIU- Dept. of Public Health.) Presented to the Public Health Students and Alumni Association of FIU. Miami, Florida, September 2003.

Public Health Aspect of AIDS: Reports from the 14th World AIDS Conference. Speakers: Hugh Gladwin (Director) & Ann Goraczko (Assistant Director) of FIU’s Institute of Public Opinion

Research, Paula B. Fernández (Assistant Director for Research and Evaluation) & William W. Darrow of REACH 2010 at FIU. Presented to the Educators' Alliance Meeting, Broward County Health Department. Fort Lauderdale, Florida. November 2003.

Invited Speaker, Miami Freeway Management Team meeting, Florida Department of Transportation, "Hurricane Evacuation Routes Research", February 2000, Miami, FL.

Invited Speaker with Walter Gillis Peacock at the National Hurricane Conference. "Hurricane Floyd Evacuation in Florida", April 20, 2000, New Orleans, LA.

Invited Speaker with Walter Gillis Peacock, 14th Annual Governor's Hurricane Conference. "Hurricane Evacuation, Preparation and More," in session entitled "Behavioral Studies vs. Reality -What's Happening-" May 22-26, 2000, Tampa Convention Center, Tampa, Florida.

Invited Speaker with Walter Gillis Peacock, Roundtable on Rainfall Index for Hurricanes. "South Florida Hurricane Irene Survey Results." May 10, 2000, Florida International University.

Invited Speaker with Walter Gillis Peacock, South East Regional Planning Directors Institute Annual Meeting, Biloxi, Mississippi. "Integrating Hurricane Mitigation into Development and Redeveloping Planning." May 17, 1999.

Rapporteur, Climate Change and Extreme Events Workshop, Kovens Conference Center, Florida International University. March, 1998.

Lecturer with Ricardo Alvarez and Richard Olsen, Workshop on Hurricane Preparation and Mitigation, Universidad de Quintana Roo, Chetumal, Mexico, 1997.

Invited Speaker "Investigaciones de Florida International University sobre Huracan Andrew y Maneras de la Cooperación en Preparar para Desastres Futuros". Presentación al Consejo Estatal de Protección Civil, Campeche, Mexico. March 1996.

Invited Speaker, "Anthropologist as Pollster and Polls as Cultural Discourse, Symposium on Anthropology and Public Discourse", Duke University, February, 1996.

Invited Speaker, "Preparation and Evacuation before Hurricane Andrew", Governor's Hurricane Conference, Tampa, FL, May 1995.

Presenter along with Walter Gillis Peacock at a special mini-conference for South Florida County Emergency Managers and personnel on the topic of Evacuation and Preparation prior to Hurricane Andrew. April, 1995.

FUNDED RESEARCH

(Contracts to IPOR included only when I am principal investigator. Full list of IPOR projects at <http://www.fiu.edu/orgs/ipor/IPORProj.htm>).

Program Evaluator, FIU Minority Opportunities in Research (MORE) Program, funded by NIGMS/NIH.

Chair of External Evaluation Committee, FIU Global Cyberbridges Project, funded by NSF Cyberinfrastructure Program.

Principal Investigator, National Science Foundation Grant #0555085, "Effects of Hurricane Katrina on Evacuation Intent: A Panel Study", 2005-2007, Completed (98K).

Co-Principal Investigator (with Betty Morrow and William Massey). 2005. Hurricane Ivan Behavioral Study. Dewberry & Davis for FEMA and Corps of Engineers. Completed (75K).

Principal Investigator, "Usage Study of Florida's Turnpike". Funded by the Florida Department of Transportation, Spring 2000, Completed (70K)

Co-Principal Investigator, "Residential Construction Mitigation Program Educational Campaign and Assessment Project". Principal Investigator: Walter Gillis Peacock. Co-Principal Investigator: Ricardo Alvarez. Funded by the Florida Department of Community Affairs, Division of Housing and Community Development, Spring 1998. Completed (132K).

Co-Principal Investigator, "Academic Review of the Residential Construction Mitigation Project". Principal Investigator: Walter Gillis Peacock. Co-Principal Investigators: Betty Hearn Morrow, Rich Olson, Ricardo Alvarez, Jose Mitrani, Niki Dash. Funded by the Florida Department of Community Affairs, Division of Housing and Community Development, Spring 1998. Completed. (75K).

Principal Investigator, "Resources for Mitigating Hurricane Vulnerability in Florida". . Co-Principal Investigators: Walter Gillis Peacock and Stephen Leatherman. Funded by the Florida Department of Community Affairs, Division of Emergency Management, Spring 1998. Completed. (717K)

Principal Investigator, "Public Perceptions of the North Fork of the New River". Funded by the South Florida Water Management District, Fall 1998. Completed (25K).

Co-Principal Investigator, "Mitigation and Evacuation Decisions in the face of an Impending Disaster". Principal Investigator: Walter Gillis Peacock. Funded by the National Science Foundation, Fall 1995. Completed. (49K)

Co-Director, "Homestead Housing Needs and Demographic Data Project". Principal Investigator: Walter Gillis Peacock. Tom Wilson, Co-Director. Funded by the City of Homestead, Fall 1994. Completed. (45K)

Principal Investigator, "Metro-Dade Police Citizen Attitude Survey". Funded by Miami-Dade County, Spring 1994, Completed (40K).

Director, "Hurricane Andrew Population Impact Study." Walter Gillis Peacock and Chris Girard, co-directors. Funded by the State of Florida's Bureau of Economic and Business Research, Spring 1993. Completed. (60K)

Co-Principal Investigator, "Pre-Impact Preparation and Post-impact Restoration Activities following Hurricane Andrew." Principal Investigator: Walter Gillis Peacock. Funded by the National Science Foundation, Fall 1992. Completed. (41K) Florida International University Faculty Research Grant, topic: "Replacing 'Liberal vs. Conservative' as a Measuring Scale for American Public Opinion with a Structural Model", Summer 1988

Appropriate Technology Program, University of California, Grant to study buyer's choices of fuel-efficient automobiles. 1978.

National Institute of Education, Grant to study of semantic and statistical problems in educational research. 1972 - 1973.

National Institute of Mental Health: Postdoctoral fellowship for studies in quantitative social science methods at the University of California, Irvine. 1970 - 1971.

National Institute of Mental Health: Fellowship for predoctoral studies and dissertation research grant 1965-1968.

MEMBERSHIPS

American Anthropological Association. American Association for Public Opinion Research, Phi Beta Kappa.

UNIVERSITY, PROFESSIONAL, AND COMMUNITY SERVICE

Appointed Member, Miami-Dade County Climate Change Advisory Task Force, 2006–present.

Member, Institutional Review Board, Florida International University, 2001-Present.

Member, NOAA Hurricane Forecast Socioeconomic Working Group. 2003-2005 (Tasked with setting social science research agenda for NOAA).

Member, Steering Committee, Miami-Dade County Local Mitigation Strategy Working Group, 2000–present.

Member of the Board, El Portal Homeowners Association, 2005-present.

Member of the Board, Oakland Grove Neighborhood Improvement Association, 1999-2006.

Elected Councilperson, Village of El Portal, Florida 1998-2000.

GRADUATE STUDENT ADVISING

Thesis and dissertation committees of approximately 35 graduate students at Florida International University.

Ph.D. Graduates as Major Professor:

Elena Sabogal, graduated Fall 2001. Dissertation Title: “Cultural Perception of Space and Place in the South Florida Environment.” Current Position: Assistant Professor, William Patterson University.

Michelle Rice, graduated Spring 2001. Dissertation Title: “A Case Study of the Ellison Model's Use of Mentoring as an Approach toward Inclusive Community Building”. Current Position: Assistant Professor, Nova Southeastern University.

Katherine Condon, graduated Fall 2000. Dissertation Title: “Health Care Utilization Behavior of Elders in a Multicultural Urban Environment”. Current Position: Statistician Demographer, Administrative Records and Methodology Research Branch/Population Division, U.S. Census Bureau.

David McGuirk, graduated Fall 2004. Dissertation Title: “An Ethnolinguistic Analysis of Hispanics In Miami-Dade County”. Current Position: Instructor, Miami-Dade College.

C. Nana Derby, graduated Summer 2005. Dissertation Title: “Autonomy and Authority in the Lives of Children who Work as Domestic Servants in Ghana”. Current Position: Assistant Professor, Virginia State University)

Suzanne Weber, graduated Spring 2007. Dissertation Title: “Life and Death in the Forest:

Landscape Agency during the Holocaust”. Current Position: Instructor, Broward Community College).
