	8	10	Finals Week <b>[FINAL EXAM TBA]</b>

This schedule is a tentative plan for the term and there may be minor changes during the term in order to ensure that we cover all needed material prior to each examination.

**Grades:** There will be three in-term examinations (100 pts ea) and one final comprehensive exam (200 pts). Make-up exams will not be given except for medical reasons and require a written excuse from a physician. You must earn a C on the final exam to obtain a C or better in this course. Total points will be 600 pts. Final grades will be based on the distribution: C  $\geq$  60%; B  $\geq$  75%; A  $\geq$  87%.

Homework: Assigned problems will be posted on my website.
