Clubs that did not reach the minimum amount of points (12pts.) required for SOC recognition can fill out this appeal form in order to avoid becoming inactive.

Approval of this appeal form by the SOC Executive Board, puts clubs under probationary status. Under **probationary status**, clubs **cannot reserve GC facilities, their A&S accounts are put on hold and special allocations requested while still under this status cannot be approved.**

Upon the completion of the first 12 points, clubs are officially **reactivated** with the compromise of completing at least 12 additional points during the current semester. After reactivation, clubs receive their SOC privileges back. (NOTE: **No additional monetary allocations will be made based on fall points for clubs that are in this situation. Nevertheless, the reactivated clubs can ask for special allocations.**)

The **approval** of this appeal **guarantees** that:

- 1) Club will **not** become automatically inactive
- 2) Club's GC facility reservations made during the **prior** semester are not affected

**I accept the aforementioned terms and I agree my clubs will abide them,**
